2. The Story

Last Sunday was my birthday and I was so excited! In the morning Mom and Dad put colourful balloons everywhere and hung a big “Happy Birthday” sign.

In the afternoon my friends came to my house. We played games in the garden and ran around like crazy. The best part was the swimming pool! We jumped in, splashed water at each other, and laughed so much. I got water in my nose but I didn’t care!

After swimming we sat at a big table outside. There were sandwiches, pizza, juice, and lots of cold drinks. Then Mom brought out the chocolate cake with candles. Everyone sang “Happy Birthday” loudly. I closed my eyes, made a big wish, and blew out all the candles at once.

After that I opened my presents. I got a new football, some books, and a really cool superhero t-shirt. I was so happy!

We played more games and took lots of photos. When my friends went home I felt tired but very, very happy.

Birthday parties are the best!
