2. The Story

Last Sunday was Mother's Day. It was a very special day for our family. We wanted to make my mom happy.

In the morning, I woke up early and helped Dad make breakfast. We prepared coffee, toast with jam, and fresh fruit. My little sister drew a beautiful card with hearts and flowers and wrote "I love you Mom".

After breakfast, we gave Mom her presents: a big bouquet of flowers, a pretty scarf, and a box of her favourite chocolates. She was very surprised and smiled a lot.

Later, we went to the park for a picnic. We took sandwiches, fruit, and juice. We sat on a blanket under the trees, talked, took photos, and played games. Mom said it was her best Mother's Day ever.

In the evening, we stayed at home and watched a funny movie together. I gave Mom a big hug and told her how much I love her.

Mother's Day is important. It is a day to say thank you to our moms for all their love and hard work. I am happy we made her feel special and loved.
