#### 2. The Story

Every Monday and Wednesday I go to English class after school. I like it very much! Our classroom is bright and colourful with lots of pictures and posters on the walls.

My teacher's name is Miss Anna. She is very kind and always smiles. She says "Hello!" with a big voice when we arrive. First, we sit in a circle and sing a fun hello song. Then we play games with new words. Yesterday we played "Simon Says" and I laughed so much!

After that, we read a short story together. Miss Anna helps us with difficult words. We also draw pictures and write simple sentences. My favourite activity is speaking time. We talk about our weekends, our pets, or our favourite food.

Sometimes we watch short videos or listen to English songs. At the end of the lesson, Miss Anna gives us stickers if we try hard.

I feel happy and more confident after every class. Learning English is fun because we play, laugh, and learn together. I like our English class!
