

VIETNAM'S WEIRD & WONDERFUL COFFEES

© talkmor.com

PDF 3: Visual Exploration & Mini Project

1. LOOK & ANSWER

1. Where are the people?
2. What drinks can you see?
3. Have you ever tried any of these coffees?
4. Which one would you like to try? Why?

2. READ & LEARN

- Vietnam has many special coffees.
- Coconut Coffee is sweet and creamy.
 - Salt Coffee is a little salty but very smooth.
 - Egg Coffee is made with egg yolk, sugar and condensed milk. It is rich and famous!
 - Vietnamese Black Coffee is strong and served with condensed milk.

Which one sounds the most interesting? ★

3. MATCH

Match the coffee with the description.

- | | |
|-------------------|---------------------------------------|
| 1. Egg Coffee | A. sweet and creamy with coconut |
| 2. Coconut Coffee | B. strong coffee with condensed milk |
| 3. Salt Coffee | C. made with egg yolk, sugar and milk |
| 4. Black Coffee | D. a little salty but very smooth |

4. SPEAK!

- Which coffee would you like to try? Why?
- Do you like sweet or strong coffee?
- Is there a special coffee in your country?
- Would you drink Egg Coffee?

5. FUN ACTIVITY – CHOOSE A CARD & TALK!

Pick a card. Talk with your partner for 2 minutes.

You are in Vietnam for the first time. What coffee do you order?

You don't like very sweet drinks. Which coffee is best for you?

Egg Coffee looks strange! Would you try it? Why or why not?

Salt in coffee? What do you think about that?

Make your own new coffee! What is in it?

Activity 1: Look & Answer

Look at the big image and answer:

1. How many different coffees are shown?
2. Which coffee has a metal filter on top?
3. Which coffee has a lot of white foam on top?
4. Which coffee looks the creamiest?

Activity 2: Match the Coffee

Match the coffee with its description.

Activity 3: Pros & Cons

Choose two coffees and write pros and cons for each.

Activity 4: Create Your Own Coffee

Design your own weird Vietnamese coffee and present it.
