Switch roles after each situation.

The Table Mix-up Game

Work in groups of 3.

Student A is the Waiter.

Student B and C are customers who want to share a meal but keep changing their minds!

Practice speaking quickly.

Target Language Pattern:

- **Student B:** "I'd like a burger, please."
- **Student C:** "Oh! I'd like a burger too. Wait, no... can I have a pizza instead?"
- **Student A (Waiter):** "One burger and one pizza. Anything to drink?"
- **Student B:** "Yes, drinks please!"
