Hotel Bingo

Teacher Instructions

1. Cut out the three bingo cards.
2. Give one card to each student (or pair).
3. Call out the hotel words in a random order. (*Use the list below*)
4. Students mark the words they hear.
5. The first student to complete a line shouts **"BINGO!"**

Optional Speaking Version

Instead of saying the word, the teacher gives a clue.

Examples:

- | | |
|--|-----------------------|
| • "You sleep here." | → Room |
| • "You use this to open your room." | → Key Card |
| • "You eat this in the morning." | → Breakfast |
| • "This person checks you into the hotel." | → Receptionist |
| • "You carry your clothes in this." | → Luggage |
| • "It takes you to another floor." | → Elevator |
| • "You swim here." | → Pool |
| • "You use this to go online." | → WiFi |
| • "You book this before you arrive." | → Reservation |
| • "This is where you check in." | → Reception |
| • "A person staying at the hotel." | → Guest |
| • "You wash here." | → Bathroom |

That version gets students listening for meaning rather than just recognizing words.
