Find all 14 differences.

Now discuss:

- Which was easiest?
- Which was hardest?
- Which difference did you notice first?
- Which difference is the most surprising?

Describe & Guess

Choose one food item.

Describe it without saying its name.

- It's small.
- It's round.
- It's sweet.
- You can eat it with your fingers.

Your partner guesses. Take turns.

At the Bakery

Ask your partner:

What would you like?

How much is it?

Anything else?

Would you like a drink?

That's all, thank you.

Create a short bakery conversation.
