

HALLOWEEN NIGHT

© talkmor.com

Imagine the Scene

Imagine you are standing outside this house.

What can you hear?	Use: I can hear...
What can you see?	I can see...
What can you smell?	I can smell...
How do you feel?	I feel...

Before, During or After?

Put these events in a logical order.

- ____ children arrive at the house
- ____ people decorate the house
- ____ children collect sweets
- ____ people choose costumes
- ____ children go home

Now tell your partner the story using:

First → Then → Next → After that → Finally

What Would You Do?

You are walking past the house at night.

Suddenly...

1. You hear a strange noise.
2. You see something moving behind the tree.
3. The lights in the house suddenly go out.
4. You hear someone laughing.

What do you do?

Would You Rather?

Choose and explain.

Would you rather:

- meet a witch OR a ghost?
- walk through a graveyard OR an empty house?
- wear a scary costume OR a funny costume?
- go trick-or-treating OR stay home and watch a movie?

Trick or Treat?

Imagine you are going trick-or-treating.

Complete:

My costume is _____.

I am going with _____.

We are going to _____ houses.

I hope I get _____.

I don't want to get _____.

What Is Happening?

Choose five people or things in the picture.

Write what they are doing.

Example: The witch is flying.

Use:

I would...

I might...

I think I would...

A Strange Halloween Night

Write 70–90 words.

Begin: It was a dark Halloween night when I saw something strange near the house... (Continue the story.)
