

HALLOWEEN NIGHT

© talkmor.com

Look Beyond the Differences	Do You Believe?
Find the differences between A and B. Choose three. Instead of simply saying what changed, explain: • where the change is • what changed • which picture you prefer • why you noticed it Try to speak for one minute.	Discuss. 1. Do you believe in ghosts? 2. Have you ever had a strange experience? 3. Why are people afraid of the dark? 4. Why do people enjoy scary stories? 5. Can something be frightening without being dangerous? Give reasons for your answers.

Halloween Associations

Write as many words as possible connected with:

NIGHT _____

FEAR _____

HALLOWEEN _____

Now compare your lists.

Which three words are the most interesting?

Explain the Costume

Choose a Halloween costume.

Don't just name it.

Explain:

- what it looks like
- why someone might choose it
- whether it is frightening
- whether it would be comfortable
- whether people in your country would recognise it

The Haunted House

Imagine that this house is really haunted.

What might happen there?

Create five strange events.

Example:

Every night at midnight, the windows open by themselves.

Now compare your ideas with another pair.

Agree or Disagree?

1. Halloween is mainly for children.
2. Halloween is becoming too commercial.
3. People enjoy being frightened.
4. Scary films are good entertainment.
5. Children should not watch horror films.
6. Halloween is more fun when people dress up.

Choose **three**.

Explain your opinions.

The Halloween Interview

Student A is a journalist.

Student B has just returned from a strange Halloween night.

Ask:

- Where were you?
- Who were you with?
- What happened?
- What did you see?
- Were you frightened?
- What happened in the end?

Change roles.
