

HALLOWEEN NIGHT

© talkmor.com

Put the Story in Order

Put these events into a logical order.

- The door slowly opened.
- I heard a strange noise.
- I walked towards the house.
- I saw a light in an upstairs window.
- I ran back home.
- I decided to investigate.

Now retell the story.

Build a Spooky Story

Choose one from each group.

PLACE

haunted house • forest • graveyard • empty street

PERSON

child • tourist • police officer • teenager

OBJECT

old key • strange photograph • candle • mysterious box

SOUND

knocking • footsteps • laughter • crying

Create a story using all four.

Make It a Movie

Imagine this picture is a scene from a film.

Choose:

Title: _____

Genre: _____

Main character: _____

Problem: _____

Ending: _____

Now explain your movie to another student.

Halloween in Different Countries

Discuss:

1. Is Halloween celebrated in your country?
2. How do people celebrate it?
3. Do children wear costumes?
4. Do people decorate their homes?
5. Do people give children sweets?
6. Is Halloween becoming more popular?

Compare your country with an English-speaking country.

Storytelling Challenge

Tell a spooky story to your partner.

You have one minute.

You must include:

- a dark night
- a strange sound
- a door
- an unexpected person or animal
- a surprise ending

Writing Challenge

Write 120–150 words:

The Strangest Halloween Night of My Life

Try to include:

- past simple
- past continuous
- adjectives
- sequencing words
- a surprise
