Beyond the Picture

What do the bedrooms suggest about:

- childhood?
- family life?
- privacy?
- independence?
- lifestyle?

Discuss rather than simply describing objects.

Debate

“A bedroom should always be kept tidy.”

Agree or disagree?

Give reasons, examples and a counterargument.

Design on a Budget

You have **\$700** to improve one bedroom.

Divide the money between:

- furniture
- storage
- decoration
- technology
- comfort

Explain your priorities.

Opinion Writing

Young People Should Have More Privacy at Home

Write approximately **150 words**.

Give reasons and examples. _____

Minimalism vs. Stuff

Would you prefer:

A minimalist bedroom with very few possessions.

OR

A room full of things you love?

Discuss the advantages and disadvantages of both.

The Psychology of a Room

Can a person's bedroom reveal their personality?

Discuss:

- what might be possible to learn
- what might be misleading
- what would be unfair to assume

Challenge

Design the perfect bedroom for one of these people:

an athlete • an artist

a gamer • a traveller

a musician • a book lover

Explain every major design choice.
