1. Grammar Focus: Past Simple (Did) & Ability (Can)

When we change the time or modal helper, the word at the front changes—but the main verb **always stays in the base form!**

- Past Simple (All Subjects): Use DID
 - "Did you watch the match yesterday?" → "Yes, I **did**." / "No, I **didn't**."
- Ability (All Subjects): Use CAN
 - "Can she swim?" → "Yes, she **can**." / "No, she **can't**."
