| 4. 5:15 → It's _____    | 4. 11:45 → It's _____ |

#### 4. Write the digital times

1. It's quarter past 3. → \_\_\_\_\_
2. It's quarter to 8. → \_\_\_\_\_
3. It's quarter past 10. → \_\_\_\_\_
4. It's quarter to 2. → \_\_\_\_\_

#### 5. Speaking

Student A says a time.

Student B draws a simple clock face showing that time.

Then swap.

#### 6. Pair Work

Ask and answer:

- What time do you usually get up?
- What time do you start school/work?
- What time do you have dinner?
