REAL ENGLISH

In the near future…

It could lead to… / It might mean that…

I'm optimistic / concerned about…

The biggest risk is…

1. Discussion

1. Which jobs do you think AI will change the most in the next 10 years?
2. Would you be happy to have an AI assistant at work? Why / why not?
3. Do you think remote work tools have improved or damaged company culture?

2. Speculating

Complete and discuss:

- If AI becomes much more powerful, …
- In 15 years, most people will…
- The biggest advantage of AI at work is… but the biggest danger is…
- Unless governments regulate AI soon, …
- By 2040, human workers might not need to…
- If schools replace traditional exams with AI-monitored projects, …
- People are bound to become too dependent on technology if…
- One job that AI will never be able to replace is… because…

3. Mini debate

"AI will create more jobs than it destroys."

Agree or disagree? Give two reasons and respond to your partner's points.
