There should be stricter rules on…

I'm not sure where the line is between… and…

At the end of the day, I think...

Looking at the big picture, I think...

Taking everything into account, I think...

The problem is that…

1. Ranking – How worried are you?

Rank from 1 (not worried) to 5 (very worried) and explain:

- Fake news / misinformation
- Data privacy
- Deepfakes
- Social media addiction
- AI making decisions about people (jobs, loans, etc.)

2. Discussion

1. Should governments regulate social media content more strictly?
2. Is it realistic to expect people to protect their own data?
3. Who should be responsible when AI makes a serious mistake?

3. Solution role-play

Student A: You work for a social media company.

Student B: You are a concerned parent / politician.

Discuss one problem and try to agree on one practical solution.
